Re: *Martire v. County of Nassau, et al*
09-CV-4426 (MKB)(GRB)

Dear Judge Brodie:

This Office represents the defendants in the above- referenced matter. We write at this time pursuant to the Electronic Order dated December 14, 2011 to advise the Court of the status of Officer Raymond. I have been informed by Officer Raymond that he retired from the Nassau County Police Department, at the suggestion of his cardiologist, on March 22, 2012.

I have also been informed by Officer Raymond that he is still undergoing treatment and further testing for a cardiac condition. He is also receiving treatment for COPD inn connection with the clean-up efforts by law enforcement personnel after September 11th. As a result, he continues to follow-up with his doctor on a bi-weekly basis for these conditions.

As the Court was previously advised, Sgt. Ianucci has a fourteen (14) month son who suffers from a serious medical condition for which he received surgery out of state in January. Thereafter, he and his wife stayed at Ronald McDonald House for approximately two months, having returned recently. I have been informed by Sgt. Ianucci that his son must be seen in follow-up by his doctors out of state in both mid-May and again at the end of June to determine what the next step is in his treatment.

We therefore request that the Court permit our office to file a status report after Sgt. Ianucci's son has been seen by his medical team at the end of June.

Respectfully submitted,
